

A wealth of financial resources. A commitment to building relationships.

As one of California's leading banks with nearly **\$11 billion in assets**, California Bank & Trust (CB&T) connects thousands of individuals and businesses with smart financial solutions through a network of **over 100 branch offices** statewide.

Started **60 years ago**, CB&T has grown along with the state, offering access to experienced, professional bankers with expertise in financing, cash management, international banking, and more.

CORE VALUES

- Dedicated to building long-term client relationships
- Deliver first-class service second to none
- Committed bankers with industry and market expertise
- Provide clients with direct access to key decision makers
- Establish roots in the local communities we serve
- Offer smart financial solutions that add more value
